Steve and Maddalena Riboli

Original Winery

San Antonio Winery was started in 1917 in what was the orchards of Los Angeles to supply wine to the Italian immigrants who came over to work on the Southern Pacific Railroad. At one time there were over 80 wineries in L.A. County, but now we are the only one left! We have been designated a historical landmark by the City of L.A. The winery is still owned and operated by the original Riboli Family. The winery consists of a tasting room and Maddalena Restaurant with seating for 500. You can taste some of the best wines in California, tour the winery and have lunch all in one place. You can also taste all wines by San Antonio Winery at our Ontario outlet (see back).

We are located at:
737 Lamar Street
Los Angeles, CA 90031
(323) 223-1401
